Upon arrival of the Military Police, RANDY M. KEIPER was asked to perform field sobriety tests, which he refused. He was arrested and submitted a blood sample which showed his blood alcohol content to be .156

g/100mL of breath.

DEFENDANT'S WAIVER OF APPEAL AND COLLATERAL ATTACK

5. Understanding that 18 U.S.C. § 3742 provides for appeal by the Defendant, the Defendant expressly waives any and all rights conferred by 18 U.S.C. § 3742 to appeal the conviction and sentence. Defendant further expressly waives the right to appeal the conviction and sentence on any other ground and waives the right to attack the conviction and sentence in any post-conviction proceeding. This waiver does not include the right to appeal or collaterally attack the conviction or the sentence on the ground of ineffective assistance of counsel or prosecutorial misconduct.

The Government does not waive its right to appeal the sentence imposed in this case. The Government does not waive its right to appeal any order dismissing the Information, vacating a sentence, or otherwise terminating the prosecution at any stage of the proceedings. Further, the parties agree that nothing in this agreement shall affect the Government's right and/or duty to appeal as set forth in 18 U.S.C. § 3742(b). However, if the United States appeals the Defendant's sentence pursuant to 18 U.S.C. § 3742(b), the Defendant is released from this waiver.

DEFENDANT'S UNDERSTANDING AND ACKNOWLEDGMENT

6. The Defendant, before entering a plea of guilty to the Charge detailed in the Information, advises the Court that:

a. The discussions between the attorney for the Government and the attorney for the Defendant towards reaching an agreed plea in this case have taken place with the

Defendant's authorization and consent.

b. Defendant acknowledges that a breach of this plea agreement will not entitle him to withdraw his guilty plea in this case. Defendant understands and acknowledges that Defendant's guilty plea will remain in full force and effect upon any breach of this agreement by the Defendant.

c. The Defendant further understands that he must pay an assessment fee of twenty-five dollars (\$25.00) ^{per Count of RK AM} on the date of sentencing.

d. The Defendant understands that he has a right to be represented by an attorney at every stage of the proceedings.

e. The Defendant understands that he has the right to plead not guilty and to be tried by a jury. At a trial, the Defendant understands that he would have the right to the assistance of counsel, the right to confront and cross-examine witnesses against him, the right to call witnesses on his own behalf, and the right not to be compelled to incriminate himself. The Defendant understands that if he enters a plea of guilty there will not be a further trial of any kind, and that by his plea of guilty he waives the right to a trial either before a jury or before the Court.

f. The Defendant understands that the Court may ask questions about the offense to which the Defendant pleads guilty, and he further understands that if he answers these questions under oath, on the record, and in the presence of counsel, which questions and answers would be recorded, that the answers may later be used against him in a prosecution for perjury or false statement if the answers are not truthful.

g. The Defendant understands and advises the Court that his consent to the

Plea Agreement as set forth herein and his guilty plea are voluntary and are not the result of any force or threats or of any promises apart from those contained in the Plea Agreement. The Defendant advises the Court that this Plea Agreement is the result of prior discussions between the attorney for the Government and the attorney for the Defendant, all conducted with the Defendant's knowledge, authorization and consent.

h. The Defendant advises the Court that his understanding of this Plea Agreement is as set forth in this document.

i. The Defendant advises the Court that he understands that the attorney for the Government can only make a recommendation as to the appropriate sentence to be imposed in this case, which recommendation is not binding on the Court.

j. The Defendant advises the Court that he understands that evidence of a plea of guilty that is later withdrawn, or of an offer to plead guilty to the crime charged in the Information, or of statements made in connection with and relevant to said guilty plea or offer to plead guilty, shall not be admissible in any civil or criminal proceedings against the Defendant. However, the Defendant does understand that evidence of a statement made in connection with and relevant to a plea of guilty that is later withdrawn, or of an offer to plead guilty to the crime charged in the Information, is admissible in a criminal proceeding for perjury or false statement when the statement was made by the Defendant under oath, on the record, and in the presence of counsel.

k. The Defendant is satisfied that Defense Counsel has been competent and effective in representing him.

7. The undersigned attorney for the Government and for the Defendant represent to

the Court that the foregoing Plea Agreement is the agreement of the parties that has been reached pursuant to the procedure provided for in Rule 11, Federal Rules of Criminal Procedure, as Amended. The attorney for the Defendant has advised him of the following: the Defendant's right to plead not guilty and to proceed to trial, and that by pleading guilty he waives his right to be tried by a jury or by the Court; the nature of the charge to which the Defendant is pleading guilty; the maximum possible penalty provided by law; that by pleading guilty the Defendant waives his right to confront and cross-examine witnesses against him and waives his right not to be compelled to incriminate himself. Further, the attorney for the Defendant has advised him that the Court may ask questions about the offense to which the Defendant is pleading guilty, and that if the plea is rejected or later withdrawn that the answers to such questions may not be used against the Defendant in any civil or criminal proceeding, except that, if the Defendant's answers are not truthful, they may later be used against him in a prosecution for perjury or false statement.

8. The Defendant understands that the Court will order the United States Probation Office to prepare a presentence investigation report for the Court.

This 12th day of March, 2008.

Respectfully submitted,
